1. Obtain a print out of the syllabus from the class website and staple together with this homework sheet as the first page.

2. Answer the following questions in the space provided.

   (a) What is the policy on early, late, or extra credit work?

   (b) How much out-of-class time is recommended that you budget for studying materials covered in class?

   (c) Do you plan on doing and submitting supplemental work? If not, can you earn an A course grade? If you do plan to do supplemental work, how much out-of-class time is suggested that you spend it?

   (d) What will “provide much of the framework for class meetings”, and how do you obtain this resource?

   (e) What human resources have been arranged to assist you in your out-of-class studies for this class?
